

Choice

a passion for teeth

DentaQuest is a 30-year veteran of the dental benefits industry. We currently service over two million members, and have the experience and expertise to deliver a variety of network options and flexible benefit configurations that will deliver the strongest value for an employer's benefit dollar.

CHOICE PLAN

Choice gives you access to thousands of dentist locations in Maryland, Washington, D.C., and Northern Virginia. And if you have employees who live outside of the three-state Mid-Atlantic region, **Choice** gives them access to participating dentists from coast to coast through our alliance with CONNECTION Dental.

With the combined **Choice** and CONNECTION Dental networks, your employees now have access to more than 39,000 dentists in more than 67,000 dentist office locations nationwide, with participating dentists in every state.

And your employees still enjoy all the benefits that come with being a DentaQuest **Choice** member:

- ◆ **GREAT VALUE**
Our **Choice** Plan offers a great balance of value, flexibility, and more than 67,000 dentist locations nationwide.
- ◆ **NO BALANCE BILLING**
Participating dentists agree to accept our negotiated fees and the patient's co-payment and deductible (if applicable) as full payment for services.
- ◆ **NO CLAIM FORMS**
All participating network dentists have agreed to submit claims directly to DentaQuest so your employees will never have to complete a claim form.
- ◆ **OUT-OF-NETWORK BENEFITS**
Choice also allows your employees to receive care from non-participating dentists; however, they receive the greatest value when visiting a participating dentist.
- ◆ **SUPERIOR SERVICE GUARANTEE**
We pledge our high service levels to all of our **Choice** customers with a money-back guarantee.

PARTICIPATION REQUIREMENTS

Choice is available to all Maryland and Washington, D.C. -based companies, as well as to Virginia-based companies on a self-funded basis (ASO). The **Choice** Plan may also be offered as a dual-option or triple-option plan along with other DentaQuest plans, including our popular DHMO plans and our **Access** deep discount PPO plan. The below figures show exactly what percentage of your company's eligible employees must enroll.

	Employer Sponsored	Voluntary	Self-Funded (ASO)
Minimum Participation	75% (5 enrolled)	35% (20 enrolled)	50% (150 enrolled)

Minimum Contribution	50%	0	50%
-----------------------------	------------	----------	------------

	Dual-Option	Triple-Option
Minimum Participation	35% (9 enrolled and 3 in Choice)	35% (18 enrolled and 3 in each PPO)

Minimum Contribution	Contributory (50%) or Voluntary (0%)	Contributory (50%) or Voluntary (0%)
-----------------------------	---	---
